

### DESCRIPTION:

PEAK® POWER STEERING FLUID WITH STOP LEAK is a premium fluid specially formulated with high quality base oils and an advanced additive package that helps reduce or eliminate fluid loss caused by worn or shrunken seals in power steering systems. PEAK® POWER STEERING FLUID WITH STOP LEAK conditions seals and protects power steering pumps from breakdown due to oxidation, foaming and wear.

### BENEFITS:

- Reduces or eliminates power steering fluid leaks
- Helps revitalize dried, hardened and shrunken seals
- Protects against wear and pump breakdown
- Helps keep seals, lines and gaskets pliable
- Helps to prevent squealing under demanding conditions
- Resists corrosion and wear

### APPLICATION:

PEAK® POWER STEERING FLUID WITH STOP LEAK is suitable for use in automobiles and light trucks.

Consult your owner's manual for the correct fluid recommendation. Misapplication may cause severe performance problems.
