

DESCRIPTION:

PEAK® All Season Wiper Blades are a conventional style blade that is still the most common wiper blade found in the North American aftermarket. All Season Wiper Blades are compatible with standard hook or pin wiper arms, which makes installation quick and easy. They come with a blended rubber squeegee for a smooth wipe. Depending on the length of the blade, they can have up to eight pressure points distributing the pressure evenly across your windshield. The rust-resistant, steel frame help ensure durability for the life of your wiper blade.

BENEFITS:

- Rust-resistant steel frame
- Stainless-steel spline and rivets to ensure durability
- Blended rubber for smooth wipe
- Quick and easy installation
- Re-sealable packaging helps minimize damages
- Customer friendly bilingual packaging
- Full line of wiper blades from 12" to 28"

APPLICATION:

Application information varies with your vehicle's year, make and model. Be sure to review your owner's manual, your retailer's application data or look up your vehicle's wiper blade size(s) and arm information at www.peakauto.com.
